Program Aims
This program is available to school aged children from 4 - 12 years.
It has been developed to ensure that children in early to middle childhood have access to age appropriate recreational experiences that promotes challenge, social engagement as well as opportunities to engage with the community around them.

Program Development
The program will follow the Early Years Learning Framework & My Time Our Place Curriculums and will comply with the National Quality Framework as well as the Education and Care National Regulations and Act.
Programs will be developed in consultation with children and families attending the programs and will be based on children's interests.
Feedback to families will be by everyday communication, What’s happening at OSHC book, Children and Parents Noticeboards and through our Newsletter.

Written authorisation by a parent/guardian is required before a child can be transported in a vehicle. Travelling by bus children are required to remain seated at all times and to use seatbelts if they are fitted. To ensure adequate supervision of children educator to child ratio’s will be maintained when travelling in vehicles, during movement to and from vehicles and when travelling by foot. The educator in charge will be aware of breakdown, accident or other emergency procedures.

Our commitment to Sustainability
We recognise our responsibility to protect and preserve the environment and to foster in children an ongoing commitment to caring for the world in which we live. We ask all parents, educators and children to recognise and practice sustainability practices at all given opportunities, for their healthy growth and well being, for the protection and care of the environment and in order to maintain consistency and ongoing reinforcement of environmentally responsible behaviours and attitudes.

Sun Safety policy
We follow the Bureau of Meteorology UV index forecast which is posted on the outside noticeboard daily. When the UV index is 3 or above children and educators are encouraged to wear legionnaire style, bucket or broad brimmed hats that protect the face, neck and ears whenever they are outside. Sunscreen of at least SPF 30+ broad spectrum is available for children’s use when the UV index is 3 or above. We are currently using Homebrand Sunscreen Lotion SPF 50+. Parents are asked to supply sunscreen if a specific brand is required, this sunscreen must be at least SPF 30+.
