Xavier Catholic Primary School HOMEWORK CLUB

9 February 2017

Xavier Catholic School will be offering a Homework Club for students in Years 1 – 6 that is inclusive of anyone who wishes to attend from 3-4pm on Mondays each week starting this MONDAY 13 February. A homework club in a school setting can offer a time for students to focus on their education in a relaxed, familiar setting where they can receive support, in working on their homework.

This is a service of volunteer Xavier school staff who are giving up their time to support students are require assistance and a quiet space to complete their homework. The Homework Club will operate in the Library with Miss Grant as the coordinator and other staff members volunteering their assistance.

ONLY students genuinely completing their homework or doing revision study are welcome as this is NOT A CHILDMINDING service. Parents will be notified of disruptive and non-productive students who may be asked not to return if the behaviours continue.
